

AEA Member Dues Transfer Form – Retired Division

Retiring AEA Members are asked to complete this form in order to continue as a retired member after current membership terminates. Upon retiring and in accordance with the state law, the balance of current membership dues for the year ending August 31 will be deducted from the last paycheck. Current membership will terminate on August 31 and deductions for retired dues will begin. Retired dues deductions begin immediately for those who are not current AEA members.

DUES DEDUCTION FROM RETIREMENT CHECK

*Payroll Deduction of Dues each Month -- **\$10.93** (*effective 9-01-2008*)

I authorize the Teachers' Retirement System of Alabama to deduct monthly dues from my retirement check for AEA/NEA-Retired and AERA. The dues amount above will increase with the enactment of future COLAs. This authorization may be revoked by written notification to Teachers' Retirement System. Membership year runs from September 1 through August 31.

SIGNATURE _____ **DATE** _____

*Includes \$3 per month voluntary contribution for A-VOTE to help elect friends of education to public office in Alabama. Deduct \$3 if you choose not to help elect legislators who support COLAs and PEEHIP funding for retirees.

Check here to pay NEA-Retired dues for life and attach a \$200 check payable to AEA. Only AERA/AEA-retired dues (currently \$8.84) will be deducted each month. Signature required above.
