

A PARTNERSHIP YOU CAN RELY ON

ASSOCIATION MEMBER BENEFITS ADVISORS TO PROVIDE BENEFITS
TO THE ALABAMA EDUCATION RETIREES ASSOCIATION, INC.

Association Member Benefits Advisors (AMBA) is proud to be the new benefits provider for the Alabama Education Retirees Association, Inc.

AMBA is a nationwide full-service agency focused on plan design, negotiations, and implementation of benefit programs for associations. We help associations strengthen and increase their membership. We currently make benefits available to over 40 associations across the United States with a focus on the active and retired educator community. Our goal is to provide the best-in-class benefits to all association members.

What this means for AERA members is access to benefits such as long-term care, cancer/heart/stroke policy, whole life insurance, emergency air and ground transportation, and many merchant discounts that are not available to the general public. We look forward to working with AERA to help them grow their membership and to provide benefits to their members.

"I am excited that the Alabama Education Retirees Association Board of Directors voted unanimously to partner with AMBA to offer retirees great discounts and customer service. AMBA has a proven track record building other state associations. We all know that our strength grows with each new member and with the political climate in Alabama, we need more muscle."
